Bdo mobile reload unsuccessful

We continue to serve you this holiday season. Visit the BDO website for the list of selected outlets opened on December 24, 30 and 31. Merry Christmas and Happy New Year! To our valued monitors, We recognise delays in deposit credit and system issues. Until now, the BDO online system is still down and we're communicating with them to resolve this issue. We will still facilitate the credit form of the BDO load wallet however it will be longer than usual until it is resolved. We recommend using BPI for your deposit. We also accept claims on some areas that cannot transact and work on them. We need help providing the following if you experience the same network issue CELL PHONE NUMBER - LOCATION - EXAMPLE ERROR MESSAGE: 09191234567 - Cagayan De Oro - Can not load / No Answer Thanks. BDO Online Banking Security FeaturesOnline banking fraud has become more predeceived, with more people performing online financial transactions during the COVID-19 pandemic. What is the guarantee that customers will not lose their sweat money when using BDO Online Banking? BDO has technology and processes for online banking platforms.1. TheBDO User Authentication Online Banking Account comes with security measures to verify user identity. In addition to entering a username and password, users must also enter a one-time password (OTP)—sent by BDO via SMS to a registered mobile phone number—each time they log on. Entering the correct OTP is also required for certain transactions, such as fund transfers and prepaid reloads. An alternative way to get an OTP to login is the OTP Generator feature on the BDO Mobile app. This is useful when you don't receive OTP via text message within 5 minutes. To reset your BDO Online Banking password, an OTP is also required. How do I reset my BDO Online Banking password? Here are the steps to follow:Go to www.bdo.com.ph.Click Online Banking Login &t; BDO Online Banking &t; Forgotten Your Password? Provide your BDO user ID. If registered with an ATM Card or Check/Savings Account, you will need to provide a One-Time Password (OTP) plus the last 4 digits of your registered ATM card or Check/Savings account. You'll be prompted to new BDO password. If signing up with a credit card only, you'll be asked to set up an OTP. Nominate a new password after this. I forgot my BDO user ID and password. What should I do? Open the BDO mobile banking app and click NEED HELP?. Choose whether you forgot your user ID or password. You will be redirected to the BDO website to reset your user ID/password. However, this option is only for which has not been locked. If your BDO online banking account is locked, you'll need to contact ADO customer service representative to request a password reset. 2. Automatic log off You forgot to log out after your online banking session, an automatic log out feature guarantees your BDO account. You will be logged out of the system as soon as it detects inactivity for a few minutes. This way, no one can access your online banking account except for yourself.3. Your CardWhen Key/Unlock loss of your debit or BDO credit card, you may prevent immediately unauthorized transactions via the Key/Unlock Card feature on BDO Online Banking. In just a few clicks, you can lock your BDO card so no one can use a lost or stolen card for ATM and in-store transactions, as well as for online purchases and payments. Even if your physical card is locked, you can still use BDO Online Banking and Mobile Banking channels to transfer funds, pay bills, and perform other transactions. You can unlock the card to make it active again once your card has been replaced.4. Set transaction limitsFor per your BDO debit and credit card, you can adjust the ATM withdrawal limit, PIN-based purchase limit (for in-store purchases), and no PIN purchase limit (for online purchases). You can also enable or disable overseas card-based transactions. This BDO online security feature helps you ensure that you won't lose a lot of money in case someone steals your card or hacks into your card details.
